Drawings

1. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because drawings filed on November 4, 2004 are hand drawn sketches. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Reason for Allowance

1. Claims 1-27 are allowed over prior art.
2. The following is an examiner's statement of reasons for allowance: Applicant has amended independent claims 1, 11, 16 and 21, which corrects the previous double patent rejection.

Although the prior art discloses compressing and decompressing message wherein the architecture includes compressors and de-compressors that include associated dictionaries (context tables), utilization of multiple dictionaries accommodating messages and reconstruction of messages, packet based data compression method wherein packet/message data is communicated between a transmitting device and a receiving device whereby the architecture includes the compression and expansion/decoding of packet data/messages, compression dictionary (context information), dictionary tables are created for all packet headers, dictionaries are at both ends (transmit and receive) of the communicating system, handoff procedures for header compression wherein the architecture includes communicating packet data in a mobile environment that includes communicating packets (messages) between a source and destination (mobile terminals), wherein there is a compressor/de-compressor (network

entity/ANI_AD) at the source and at the destination, they fail to teach or suggest compressor and de-compressor sharing dictionaries (context tables) and both updating dictionaries using dictionary information (context information) within one transmitted message and one received message.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
